POSTAL BUSINESS

PENDLETON POSTOFFICE GAINS

\$418 OVER NOVEMBER, 1903.

Total Receipts for the Past Month, 1,567.57; Expenses, \$734.16; Profit to the Government, \$833.41—News-
 paper Postage and Stamp Sales Greatly Increase—Stamp Sales \$477 More Than in November, 1903.

Perhaps no other institution in the city is as sure a barometer of public business as the postoffice.

The report of the Pendleton post-office for the month of November, just completed by Assistant Postmaster French, shows a total increase in income over November, 1903, of \$483.72. Of this increase \$477.56 is in stamp sales, \$6.31 in newspaper postage, and \$4.85 in box rent.

The increase in stamp sales is one of the greatest increases ever experienced in one year. The business for the month of November was unusually heavy because of vigorous advertising by local mercantile institutions. Several thousand circulars have been mailed in the past month, and the constantly increasing newspaper postage has also swelled the month's business in a large degree.

Of the newspaper postage the East Oregonian paid \$16.74; the Tribune and Ilakawinn combined paid \$7.60, making a total of \$24.34 for the month, against a total of \$18.03 for November, 1903.

The report for November is as follows:

Receipts.	
Stamps	\$1,531.38
Newspaper postage	24.34
Box rent	13.85
Total	\$1,569.57
Expenses.	
Salaries and rent	\$508.34
Free delivery	217.43
Incidentals	8.33
Total	\$734.16
Profit for the month	\$835.41

The holiday trade is now beginning to be felt in the volume of business handled by the office and it is expected that the month of December will be a banner month for the office.

OVERSTOCKED SALE.

Great Cuts in Prices Made at the Workingmen's Clothing Store—Don't Miss Investigating.

The Workingmen's Clothing Co., located at the corner of Main and Webb streets, finds itself in an unpleasant position in that it purchased an extraordinary large stock of men's and boys' clothing and overcoats, which, because of the backwardness of the season, have failed to move, and the store is overstocked. The proprietor has decided to reduce the stock and in order to do so has made a genuine cut of 25 to 50 per cent on every suit and overcoat in the house, for the next six days.

At this great stock reduction sale nothing will be held back. Clothing, overcoats, hats, furnishings, shoes, etc., all go at the greatly reduced prices.

We want the privilege of a visit from you, and right now are in position to make you extraordinary inducements. We must reduce our stock. Your investigation is invited. Many have taken advantage of the sale and profited since it started. Don't miss it.

Washington, D. C., Dec. 8.—George-town University, one of the leading Catholic educational institutions of America, today celebrated the jubilee of the dogma of the Immaculate Conception by dedicating its magnificent new refectory and dormitory buildings. The new refectory and dormitory cost \$125,000, and is four stories in height. The large dining rooms on the first floor are finished with costly Egyptian marble and Scagliola wainscoting, while the ceilings are decorated by eminent artists.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
